Avast Free Antivirus
Lighter and tougher than ever — and still 100% free

Redefines what free can do for you

With a threat-detection network of 400 million users, machine-learning technology, and security features that go well beyond your PC, you haven't seen free security like this before.

What's new inside the box

A new and intuitive design that makes staying safe look great. Behavior Shield technology that monitors apps in real time for the slightest sign of trouble. Want more? There's more.

Safe Wi-Fi, safe passwords, safe everything

Intelligent antivirus. Wi-Fi router inspector. Personal real-time threat detection. Password manager. All included, all free.
